

# The Soul, Science & Culture of

# HOPE

with Antwone Fisher and Rick Miller

Antwone Fisher, whose life was the inspiration for a major motion picture starring Denzel Washington, and Rick Miller, Founder of Kids at Hope, an international organization that studies family, school and community cultures to better understand how children succeed or struggle, are visiting communities across the US and Canada to share how HOPE is used as a strategy to achieve success for all children and youth.

of HOPE. The symposium concludes with a discussion about the culture of HOPE and how families, schools, youth serving organizations and communities can implement a strategy that models how all children can succeed, No Exceptions!

If you are looking for a way to demonstrate how a village actually does raise and educate a child don't miss this opportunity.

Entitled *The Soul, Science and Culture of HOPE* this 2.5 hour event will explore Antwone's journey of hopelessness to hope through his writings and film followed by a discussion around those themes and how they relate to the science
