

Directing My Legacy Gift

The endowment is comprised of two funds; a donor-restricted fund and an unrestricted fund. The donor-restricted fund employs a formula to assist donors in perpetuating their gift to the Annual Campaign as members of the Leadership Legacy Circle or Tocqueville Legacy Circle. More narrow in focus, these thoughtful legacy gifts will only be used to support the critically important health and human service programs funded by United Way. Gifts of any size can be directed to the unrestricted fund to support more broadly all of the important roles United Way plays in our community.

For more information on directing how your gift impacts our community, please contact Michelle Malyn, Executive Director, at 569-6777 or michelle.malyn@unitedwayirc.org.
